	Maine Medical Center Requirement		**Prerequisites**	**Corequisites**	**Credits**	**My Plan**
	Completion of Maine Medical Center Surgical Technology Program**		Completion of Information Session & all General Education Requirements		42	
				Total Credits	**64**	

*A grade of C or higher is required in BIOL 100 or BIOL 124

**Students pursuing the Surgical Technology degree should be aware that the clinical portion of the program provided by Maine Medical Center is not eligible for financial aid (including the Free College Scholarship). Students must make payment arrangements with MMC School of Surgical Technology for the cost of clinicals. Specific information about MMC, the costs of the clinical portion of the program, and clinical course requirements are available at: http://www.mmc.org/surgtech. Also, students who are enrolled only in the MMC surgical technology clinicals are not eligible for on-campus housing or other services reserved for SMCC students. Students who decide not to pursue Surgical Technology clinicals have the option to pursue a Health Science degree, a Health Science degree with a different concentration, or an entirely different major which is financial aid eligible.
