

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

Southern Maine Community College & Saint Joseph's College of Maine

Statement of Purpose

this agreement is to facilitate student academic transfer and provide a smooth transition from Southern Maine Community College (SMCC) to Saint Joseph's College of Maine (SJCME). It is recognized that this agreement shall describe the required program of study at SMCC for admission eligibility to Saint Joseph's College of Maine and the degree program indicated. The purpose of

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Science in Biology and Secondary Education

From: Associate in Arts in Liberal Studies with a focus in Science

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Southern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as Saint Joseph's College of Maine students. All applicants accepted to Saint Joseph's College of Maine's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

Appendix A - Admission & Graduation Requirements of the Receiving Institution

Appendix B - Side By Side Course Equivalency Tables for the academic program listed above

Appendix C – A four-semester map of remaining courses to be taken at SJCME

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE

Articulation Agreement between Southern Maine Community College & Saint Joseph's College of Maine

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the SMCC Associate in Arts in Liberal Studies with a focus in Science, submission of a completed admission application, transcripts, and other supporting materials.

Requirements for the Bachelor of Science in Biology and Secondary Education

Remaining required coursework is listed in Appendix C.
