VIRTUAL WELDING

SMCC's Mobile Learning Lab brings the learning to you! Our mobile VRTEX Welding Training Simulators provide students with an opportunity to experience welding in a fun, exciting, and engaging way.

Master different welding techniques and receive immediate feedback on your progress with this efficient, safe, and accessible training method.

Learn or enhance your skills in:

- Rod angles and positions
- Travel speeds
- Welding Techniques
- Proper body position
- And more!

Ready to learn more?

email smcclearninglabs@mainecc.edu

Funding is provided by a Department of Labor (DOL) grant awarded to Southern Maine Community College – 100% DOL grant funds totaling \$1,000,000.

Southern Maine Community College does not discriminate and is an equal opportunity/affirmative action employer.
