

TRANSFER AGREEMENT FOR BACCALAUREATE DEGREE (2 + 2)

**Southern Maine Community College
& University of Maine at Fort Kent**

Statement of Purpose

The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from Southern Maine Community College (SMCC) to the University of Maine at Fort Kent (UMFK). It is recognized that this agreement shall describe the required program of study at SMCC for admission eligibility to UMFK and the degree program indicated.

Terms & Conditions of Academic Credit Transfer

To: Bachelor of Science in Nursing (UMFK)

From: Associate in Science in Nursing (SMCC)

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Southern Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMFK students. All applicants accepted to the UMFK's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

- **Appendix A** Contains Admission & Graduation Requirements of the Receiving Institution
- **Appendix B** Contains Side By Side Course Equivalency Tables for the academic program listed above
- **Appendix C** Contains a four-semester map of remaining courses to be taken at UMFK

Current catalog information may be accessed at <http://umfk.edu/admissions/transfer/> Students are encouraged to use the Transfer Equivalency link, scroll down the page for transfer equivalencies and <http://umfk.edu/catalog/> for the most current catalog year.)

Articulation Agreement between Southern Maine Community College & the University of Maine at Fort Kent

APPENDIX A

Admission & Graduation Requirements of the Receiving Institution

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions Requirements

Successful completion of the SMCC Associate in Science in Nursing, submission of a completed admission application, transcripts, current RN license, and other supporting materials. For a list of application instructions and checklist: <http://umfk.edu/admissions/>

Requirements for the Bachelor of Science in Nursing (See Appendix C)

Remaining required coursework is listed in Appendix C.

Residency Requirement

Remaining program requirements are met by completing online coursework through UMFK. There are equivalency or challenge exams available for general education and nursing support courses (see attachment A for specific nursing requirements). Students must complete a minimum of 30 credits from UMFK to be awarded a Bachelor of Science in nursing degree. In addition, students must complete 45 upper-level credits (300 level or higher, which may include transfer credits) and 120 total credits to earn a baccalaureate degree.

Students must earn a grade of C+ or higher in UMFK courses with an NUR prefix. Students must earn a grade of C or higher in all other courses. In addition, students earn and then maintain a cumulative grade point average (GPA) of 2.5 or higher.
