

MEDICAL ASSISTANT APPRENTICESHIP

Become a Medical Assistant in just 9 months and **EARN WHILE YOU LEARN!**

? WHAT

The Medical Assistant Apprenticeship is an exciting collaboration between MaineHealth Medical Group and Southern Maine Community College.

This grant-funded, accelerated program will provide you with paid, on-the-job training and mastery of MA skills learned in the classroom.

Participants will work part-time in one of the physician practices while attending classes at SMCC, perform their externship hours, & prepare to take their certification exam upon completion of the program.
