

MARINE DESIGN

TRAINING

INTERVIEWS:

General Dynamics Bath Iron Works will conduct job interviews with qualified applicants upon successful completion of the program.

WORKFORCE HOUSING:

Available for qualified candidates during the 3-week training period.

ABOUT

Gain practical, industry-relevant experience and skills to launch your career in marine design! Trainees will learn **3D modeling and visualization** techniques, develop **drafting skills** used to create fabrication and installation drawings, and gain experience **resolving design challenges** that arise during ship construction.

**NO COST TO
TRAINEES!**
