Accelerated Evening Degrees at SMCC

Momentum Degree Pathways designed for real life.

→ Programs offered

- **Business Administration** - Momentum Degree Pathway (Midcoast Campus)
- **Behavioral Health & Human Services** - Momentum Degree Pathway (Midcoast Campus)

Both programs are designed to prepare you for immediate employment or continued education toward a bachelor's degree.

→ Program Overview

This full-time program allows you to concentrate on just two courses at a time, helping you stay engaged and make steady progress toward your degree.

- 8-week accelerated courses
- Two courses at a time (8 week sessions)
- Hybrid format (in person + online learning)
- Evening classes (2 nights/week, 6 - 9 p.m.)

→ Why choose an accelerated evening program?

- **Stay focused:** Take fewer classes at a time while remaining full-time
- **Move forward faster:** Accelerated sessions help you stay on track
- **Flexible learning:** Blend in-person and online coursework
- **Supportive environment:** Access advising, tutoring, and student services at the Midcoast Campus
- **Designed for you:** Ideal for working adults, career changers, and busy students

→ Who should apply?

This program is a great fit for:

- Working professionals seeking career advancement
- Adult learners returning to college
- Students balancing family or other responsibilities
- Anyone looking for a structured, accelerated path to a degree
