

English for Healthcare INSTITUTE (EHI)

ABOUT

The English for Healthcare Institute (EHI) helps adult learners develop the English language, academic, and workplace skills they need to succeed in healthcare careers and training programs.

Through intensive healthcare-focused instruction, career exploration, industry-recognized certifications, and personalized support, EHI students gain essential skills in:

- Medical terminology
- Workplace communication
- Academic English
- Healthcare workplace culture

EHI provides a clear pathway to healthcare training, college programs, and rewarding careers in Maine's healthcare workforce!
